	<p>Type 5 EN ISO 13982-1 : Protective clothing for use against particulates. Part 1 - Performance requirements for chemical protective clothing providing protection to full body against airborne solid particles.</p>										
	<p>Type 6 EN 13034 : Protective clothing against liquid chemicals. Performance requirements for chemical protective clothing offering limited protective performance against liquid chemicals.</p>										
	<p>Anti - Static EN 1149.1 : Protective clothing against electrostatic properties. Test method for measurement of surface resistivity.</p>										
	<p>HACCP Certificate: PE-610-SWG-05</p>										
	<p>SGS Certificate GB15/92535</p>										
<p>Product Description & Material</p>	<p>Disposable coveralls are made from microporous film laminate material, designed for food processing, industrial and other clean or sensitive environments. Microporous film laminate is comprised of a microporous film and polypropylene, it is breathable and allows moisture to dissipate while offering durability that does not compromise comfort. It offers comfort, durability and superior splash protection as a cost effective alternative fabric for nonhazardous environments.</p>										
<p>Style</p>	<p>Elastic wrists, ankles & waist, Zipper front with seal, Hood, Triangular Crotch</p>										
<p>Features</p>	<p>ANSI/ISEA 101-2014 sizing standard, Breathable microporous film laminate, Lint Free, Anti-static</p>										
<p>Typical Uses</p>	<p>Asbestos Removal, Abattoirs, Painting, Forensics, Insulation, Laboratories, Factories, Food Processing, Waste Control, Medical, Law Enforcement, Pesticide Spraying, ect.</p>

Specifications	MD Tensile (N/5cm)	MD = 133.6N > Class 2						
	CD Tensile (N/5cm)	CD = 59.6N > Class 2						
	MD Elongation (%)	84%						
	CD Elongation (%)	68%						
Weight	65g/m ²							
TGA Listing No.	293271							
Colour	White							
Shelf Life	5 Years (valid from manufacturing date)							
Packing	1pc/bag, 50pc/carton							
Suggested Storage Conditions	Cool dry position Humidity: Below 80% Sunlight: Do not expose to direct sunlight
